

FHI 360 Nepal

Vacancy announcement

FHI 360, an international NGO, requests applications from qualified individuals to work as ‘Consultant – Capacity Building’ to provide technical assistance to local partners of EpiC Nepal to strengthen their organizational systems and technical capacity.

Consultant:

This position will be responsible to review and update capacity building plan of implementing partners, further identify their capacity need, provide them technical assistance for developing strategic plan, organizational system management and orient board members of implementing partners on different organizational development aspects.

The consultant will work with local implementing partners through coordination with EpiC Nepal team at field and country office.

Qualification:

Master’s degree in management, Public Health or related field

Minimum of five (5) years of experience providing capacity-building support through training, consultations, and other mechanisms to Implementing Partners (IP) with varying levels of organizational capacity.

Interested individuals are requested to send a cover letter, updated CV with proposed daily rates and list of two references by December 21, 2021, to Nepal.recruitment@fhi360.org
