

FHI 360 Nepal

Vacancy Announcement

FHI 360, an international non-governmental organization (NGO), requests applications from qualified individuals to work as ‘Consultant – Orientation on Treatment and Viral Load Literacy’ under the United States President’s Emergency Plan for AIDS Relief (PEPFAR)- and the United States Agency for International Development (USAID)-supported Meeting Targets and Maintaining Epidemic Control (EpiC) Nepal.

This consultant will be responsible to provide orientation on Treatment and Viral Load Literacy based on the training manual.

Qualification

- SEE/SLC pass, preferably 10+2 or intermediate level
- Must have taken Training of Trainers (ToT) on Treatment and Viral Load literacy
- Previous experience working in HIV-related work for a community
- Willing to travel in the districts and able to work virtually as well

Interested candidates are requested to send a cover letter, updated CV with proposed consultancy daily rates and list of two references by May 13, 2022 to GPO Box: 8803, Kathmandu, Nepal or Nepal.recruitment@fhi360.org.
