

Plan International is a girls' rights organization that partners with adolescents and children around the world to overcome oppression and gender inequality, providing the support and resources that are unique to their needs and the needs of their communities. Working in more than 75 countries across Africa, Asia and the Americas, Plan's holistic, rights-based approach ensures that our project participants achieve their full potential with dignity, opportunity and safety. Our projects are designed in partnership with communities and strategically address systemic issues that often transcend sectors. With extensive local networks and community reach, Plan drives positive change through broad community participation, achieving sustainable results by actively engaging and providing services to individuals, families, communities and governments. Plan International has been working in Nepal since 1978.

Plan International Nepal invites the applications from all candidates with priority from females, minority and youth groups for the following position:

1. **Project Coordinator- Resilience - 1 Position**

Fixed-Term Employment until June 2024 based in Sindhuli under Regional Office-East

This position is responsible to oversee and ensure a high quality project delivery/implementation of project entitled "Gender Responsive School and Community Safety Initiatives" under the direct supervision of Program Specialist and matrix reporting in Country Office. The project will be implemented by Plan International Nepal in collaboration with Plan International Bangladesh and Plan International Asia Pacific Regional Office (Plan APAC), along with their local partners Plan International Nepal will implement the Gender Responsive School and Community Safety Initiatives in selected schools and its surrounding communities of selected rural/municipalities of Sindhuli district funded by Plan International Japan Office (JNO). The project aims to achieve a gender transformative, safer education and learning environment both at school and community levels that responds to and prepares for multi-hazards risks. Program Coordinator is also responsible for management of other disaster management, humanitarian response, recovery projects under East Regional Office (ERO) to achieve the set targets of individual projects within short interval of time.

2. **Program Specialist-Learn - 1 Position**

Fixed-Term Employment of 2 years from date of employment based in Regional Office-West (Surkhet)

The purpose of this position is to oversee and ensure a high quality project implementation, in both development and humanitarian settings, and achieve targets towards Plan's and/or donor's requirements through overall management of the implementing partners within Learn program (Education and Skills and Opportunities for Youth Employment and Entrepreneurship) in the respective areas and districts, under the direct supervision of Regional Manager. The position will represent Plan in various forums in the respective sector/s including in government at provincial, municipal and district level and other stakeholders. The position will also work closely with the Senior Technical Advisor – Learn of Country Office to enhance the capacity and skill of the partner NGO, local government and other key stakeholders and also to ensure the quality of the project delivery at the field level.

To Apply,
